1. I have worked in the legal profession for over 10 years, 6 years as a qualified solicitor.
2. My work is done immediately by computer and printer while you confer with me in the comfort and convenience of your own home or office and you'll have the security of a professionally drawn document.
3. I can keep your documents free of charge in *fire proof safe custody storage* - available to you on request.
4. You can appoint me as your executor if you wish but I suggest that you first consider family or friends.
5. If you want me to administer a deceased estate my charges are much less than the Public Trustee's commission. My fees for administration of an estate are charged hourly at the rate prescribed by the Legal Costs Committee published from time to time.
